Akash Kumar

Results-driven Accounting Executive with a proven record of optimizing financial performance. Expertise in strategic financial initiatives and team leadership. Seeking a challenging executive role to leverage analytical skills and drive organizational success.

Work Experience

Trainee, High Tech Software House

Feb 2025 - June 2025
- Collaborated with a team on small-scale projects, gaining practical experience in coding, debugging, and deploying websites.
- Actively tested different websites for functionality and performance, improving my understanding of quality assurance and deployment processes.

Web Developer Intern, SZABIST ZABTECH

July 2024 - Dec 2024
- Gained hands-on experience in real-world software projects, improving my coding and problem-solving skills.
- Learned how to work in a team environment, manage tasks, and understand client requirements effectively.

Intern, CODEBITE

Jun 2024 - July 2024
- Learned the basics of .NET framework and how to build simple applications using it.
- Gained a foundational understanding of web development, including HTML, CSS, and basic JavaScript.

Internship, OCTANET Service PVT LTD

4 Month course and Internship.
- Started my practical journey by working on real-world tasks and applying the basics I learned in a hands-on way.
- Built small projects to strengthen my understanding of web development and explore different tools and technologies.
- Took the first steps into freelancing by learning how to manage client needs, deliver tasks, and build a professional workflow.
